Credit Card Billing Address		

How the Auto Pay Plan Works

When you sign up for automatic payment, your FBT Telecom charges will be billed directly to your credit card. This can help you manage your cash flow better or even earn airline miles or special rewards from your credit card company. You remain in control at all times because your support technician will have each time card signed acknowledging his or her billable hours. You may cancel this arrangement at any time.

You will continue to receive invoices detailing all labor charges for your records. These invoices will already have been billed to your credit card by the time you receive them and they will be marked as such. Of course if you have any questions or concerns about an item on the invoice please bring it to our attention and we will make the appropriate adjustments. Invoices are not sent for recurring fees that do not change month to month, such as hosting, off-site backup, and service agreements

You are free to cancel this arrangement or change your credit card at any time. Please let us know by telephone, or U.S. Mail to the address above. This plan may be modified or cancelled by FBT Telecom at any time.

ACCEPTANCE

By signing below, client agrees to the terms of the Auto Pay Discount Plan, agrees to have FBT Telecom charges billed automatically to their credit card, and agrees to pay for such charges in accordance with the terms of their credit card agreement.
